

## **RFI Proposal Writer Roster SNV**

### **REQUEST FOR INFORMATION (RFI): ROSTER OF PROPOSAL WRITERS FOR PUBLIC FUNDING OPPORTUNITIES (2026–2030)**

#### **Background**

SNV Netherlands Development Organisation seeks to build a roster of experienced proposal writers to strengthen our capacity to secure public funding across the 23 countries where SNV operates. Public funding remains a cornerstone of sustainable development, with donors such as SDC, Sida, and GIZ prioritising investments in global development initiatives. As an organisation committed to inclusive and sustainable solutions in the agri-food, water, and energy sectors, SNV aims to engage skilled professionals who can craft competitive proposals aligned with donor priorities and SNV's mission.

#### **Objectives**

The goal is to identify and engage proposal writers who can:

- Write proposals for public funding opportunities.
- Synthesise large volumes of complex information into a structured, easy to read text.
- Balance technical accuracy with plain language and donor terminology.

#### **Scope of Work**

Roster members will be requested to:

- Write draft and final versions of proposals.
- Facilitate input sessions and incorporate feedback from SNV teams and donors.
- Collaborate on bid plans and timelines.
- Ensure proposals meet donor requirements and reflect SNV's strategic priorities.

#### **Profile & Qualifications of Proposal Writers**

- Clear experience writing competitive proposals for public funding (ODA organisations such as SDC, Sida, GIZ).
- Experience in the global development sector, with a strong understanding of donor priorities.
- Demonstrated understanding of deciding factors for a winning proposal, and ability to apply these in practice.
- Ability to synthesise large volumes of complex information into well-structured technical responses that balance technical accuracy with plain language.
- Experience working in African or Asian contexts, preferably in countries SNV operates in.
- Experience writing for sectors/themes such as Agrifood, Water, Energy, GESI (Gender Equality and Social Inclusion), Climate, Governance, and Youth Employment.
- Command of ODA donor terminology and familiarity with donor-specific language and requirements.
- Proficiency in English and/or French.
- Strong skills in producing clear, compelling narratives that reflect SNV's priorities.
- Ability to work in culturally diverse environments and collaborate effectively with multiple stakeholders.

**Duration :** The length of the consultancy will depend on the specific project proposal for which the consultant is hired after successful entry to the roster.

**Summarized evaluation criteria composition:**

Experienced in developing high-quality proposals, with a strong grasp of thematic issues, sector terminology, regional dynamics and collaborative input processes.	50%
Ability to translate complex information into clear, structured, and donor-aligned content using precise and accessible language. (Excerpt)	30%
Competitive fee/rate	20%

**Daily Rate should be included in the submission with all other costs clearly stated**

**Next Steps:**

Interested individuals or firms are invited to submit an Expression of Interest outlining their relevant experience, CV, and an excerpt from relevant portfolio (1-5 pages max) Selected candidates will be included in SNV's roster for the period 2026–2030 to thereafter be contacted for specific assignments.

**Due diligence instructions**

In line with SNV's procurement policy, all shortlisted and selected proposal writers will be subject to due diligence and should accept to fill in this form-
